

# Noxious Weeds

## Pull 'em,

## Mow 'em,

## Crowd 'em out!

What are these weeds lurking in gardens and yards around Victor? They are alien invaders and are required by law to be managed and eradicated where possible.

Join your neighbors in the effort to evict noxious weeds from Victor!

### Enter the “Before & After” Yard Contest!

**Who:** Any Victor resident

**When:** Between May 20th and September 15th

**How:**

1. Take a “before” picture of your yard, focusing on noxious weeds.
2. Pull the weeds when the ground is soft, mow them down before they go to seed, and plant native plants to crowd out new growth of the weeds. Then, bag and dispose of the noxious weeds with your local waste pickup.
3. Take an “after” picture of the same location in your yard and submit both photos to Becky Frank at [bfrank@cityofvictor.com](mailto:bfrank@cityofvictor.com) by September 15, 2016.

**The grand prize winner, voted on by Facebook Page votes on the Victor, Colorado Facebook page. The winner will receive a garden basket of goodies!**

This promotion is brought to you by the City of Victor, Newmont, and the Teller-Park Conservation District. More information, like data sheets for specific weeds, pictures of weeds, and much more can be found at [tellerparkCD.org](http://tellerparkCD.org) under the Noxious Weeds tab.
