

Noxious Weeds

They're your responsibility!

Noxious weeds invade pastures, rangeland, and other natural areas and rob them of valuable soil and water nutrients.

PLEASE, do your part: Mow, Pull, or Spray your noxious weeds. IT'S THE LAW.

Colorado's Noxious Weed Act (35-5.5 CRS) establishes a noxious weed list with prioritized management goals for the weeds on the A, B and C Lists. Each noxious weed is required to be eradicated, contained or controlled.
