Old Business: Marisa thanked the board for her \$1.75/hour raise. Her compensation package also included \$1000 bonus as well as 4 weeks of paid time off for her surgery in early January 2026. There was a lengthy discussion on how to best advertise for Marisa's position. Marisa will revise what she has and send it out to the board. The board had an in-depth conversation about the revised 2026 budget due to the cessation of the noxious weed program. TPCD will have funding for the 2026 grass seed and weed cost-share programs due to the CSCB matching grant.

New Business:

Marisa asked if the board could reschedule the December meeting because of a conflict with the CWMA Winter Training. The board will now meet on December 4th in the county conference room. The board will discuss their future as the Teller County Weed Advisory Committee. Marisa will have a draft of a three-year management plan along with a resolution of adoption for Teller County before she leaves her position.
